OUT AGAIN

What Powerful Food Can Do.

It is evidently a scientific and powerful food that can take confirmed invalids out of bed and make them well

again. 'After doctoring two years for terrible stomach trouble I concluded that it was incurable," says a young wom-an of Fillmore, Ill. "I was confined to my rooms all the time and expected to be an invalid the rest of my life having given up all hope of ever being well again, and yet I recovered entirely and quickly by eating a few spoonfuls of Grape-Nuts food every meal in place of the improper food

that had ruined my stomach.
"An aunt recommended this food to me so highly I finally decided that to be honest to myself I should give it a fair trial, and the result has certainly peen marvellous. At the time I began eating Grape-Nuts I weighed 105 pounds, but now I weigh 159, a gain of 54 pounds. My strength and activity are wonderful, and I have truly found the way to get well and keep well.

"As a strength giver for both mind and body the action of the delicious food Grape-Nuts is so quick and certain that it seems like a miracle. Name given by Postum Co., Battle reek, Mich.

There is no miracle about it. There's a reason. Look in each package for a copy of the famous little book, "The Road to CARNEGIE GIVES TO CHURCH.
